

Health and Safety Policy Statement

Syte Architectural Glazing Limited is committed to creating and maintaining a safe and healthy environment for its employees, its clients and their clients.

The following policy states our intention to take all reasonable measures, to conduct our business activities to ensure the health, safety and welfare of all our employees and all other persons who may be affected by our business activities. This includes the staff we employ, clients, any third parties that we work with, visitors to our projects and members of the public.

To implement this policy and to comply with our legal obligations we have developed processes and procedures that comply with health and safety legislation. Compliance with these systems is mandatory for all staff.

Adherence to such an approach will ensure that:

- We take all reasonable steps to minimize accidents and incidences of ill health to our employees, clients, supply chain, third parties, visitors and members of the public
- We provide, so far as is reasonably practicable, adequate control of the health and safety risks arising from our work and associated activities
- We are committed to ensure full compliance with our legal obligations and all current health and safety legislation in respect to our business activities
- We will endeavour to follow and lead industry best practice and comply with our customers' health and safety requirements
- Information, instruction and training is provided to all our employees and is appropriate to their roles and responsibilities within the organization
- We encourage and actively promote health and safety innovation, best practice and initiatives through our staff
- Suitable and sufficient resources are given to health, safety and welfare across all levels of the business
- We consult and communicate to our employees over health and safety issues and listen when feedback is given
- We create and maintain a positive health and safety culture and ensure that it is our highest priority across all levels of the business
- Our health and safety performance is constantly monitored and reviewed with the aim to continually improve
- We shall regularly review this policy to ensure that it is appropriate to the nature and scale of our occupational health and safety risks and remain relevant and appropriate to the purpose of the business

A copy of this health and safety policy will be made available upon request to any interested party.

Overall responsibility for this policy rests with the Directors of Syte Architectural Glazing Ltd.
